

CLC Year in Review **PRINCIPAL REFLECTION**

THIS REFLECTIVE PROCESS INVITES PRINCIPALS TO REVIEW THE ACHIEVEMENTS AND CHALLENGES OF THE PAST YEAR WITHIN THE CONTEXT OF THEIR COMMUNITY SCHOOL. IT ENCOURAGES THEM TO CELEBRATE SUCCESSES AND IDENTIFY AREAS FOR GROWTH TO FURTHER ENHANCE THEIR COMMUNITY SCHOOL'S IMPACT.

Highlights

What were the key accomplishments of our school community this year in terms of supporting...

- Students?
- Families?
- The wider community?

Community Partnerships

How did our community partnerships evolve or strengthen this year?

What new partnerships were established?

What strategies were used to encourage teachers to incorporate community partners in the classroom curriculum?

How did you/could you facilitate the collaboration between the CDA and school staff?

Challenges

What challenges did we face as a community school, and how did we work together to overcome them?

Family and Community Engagement

In what ways did we enhance family and community engagement this year?

What strategies were particularly effective? In what ways did we encourage students to contribute to their community?

In what ways did we invite community members to engage in/contribute to school life?

How did we celebrate and recognize the diverse contributions to our school community from...

- Parents and families?
- Community partners and local organizations?
- Volunteers?

School Climate

How did we promote a culture of inclusivity and equity within our school community? What progress did we make?

How did we support the social-emotional well-being of students, staff, and families this year?

Feedback

What feedback did we receive from students, families, and community members, and how did we/could we use this feedback to improve our practices?

How often did I meet with the CDA to review the Online Journal and CLC Action Plan?

Professional Development

What professional development opportunities offered by LEARN did we engage in, and how did they contribute to our growth as a community school?

Planning Ahead

Looking ahead, what are our priorities and goals for the next school year, in terms of supporting students, families, and the wider community through school-community partnerships?

Consider sharing your answers with your school staff, School Board Rep, and the PRT.
